# Funding For Franchisees

## About CFI Finance

CFI is an award winning lender that specialises in the franchise sector. We provide funding to new and existing franchisees across all sorts of industries in both Australia & New Zealand. Our intimate knowledge of the franchise sector means that our customers can enjoy a simple application process, fast approvals and a broad range of products to suit their needs.

## What Can The Funding Be Used for?

- New Franchise setup
- Refurbish an existing store
- Equipment purchases
- Business acquisitions
- Working capital / cash-flow
- Short-term funding / bridging finance

## How it Works

- 1 Simply Apply Online with CFI Finance
- 2 Provide a quote, invoice or summary of the funding required
- 3 Select your preferred finance options and term
- 4 Contracts are issued by email and executed electronically
- 5 Funds are dispersed and your contract starts

- Apply online in just 5 minutes
- Approvals within 24 Hours
- Flexible Terms

## Types of Funding Available

### Business Loan

Secured over the business rather than just individual assets, this is a flexible way to finance new businesses, acquisitions or significant intangible assets.

### Equipment Finance

Loans and Leases are available to fund specific assets used in your business.

### Business Boost

CFI offers flexible short term cash loans up to \$50,000 for existing businesses. Funds can be used for just about anything including marketing, stock purchases or unexpected expenses.

## How to Apply

Complete the online application form by clicking the below link. It should take just 5 minutes to complete (you will need a copy of your drivers licence and medicare card handy).
